

Bhavin Patel is the principal and co-founder of Green Harvest Capital, a real estate investment group focused on Class B & C multi-family assets in Northeast Ohio. With over 15 years of experience managing real estate acquisitions, Bhavin has an exceptional record of implementing corporate goals, leading successful business objectives, and being a forward-thinking steward of capital investments.

To that end, Bhavin also sources, negotiates, and acquires residential properties in prime locations across Ohio – from the Great Lakes to upper Columbus. His current portfolio includes over 1000 + units in Greater Cleveland and Akron.

As a native and resident of Northeast Ohio, Bhavin is passionate about creating modern, functional living spaces for Ohioans in need of multi-family/workforce housing. He is an Executive Committee Member on the Board of the Northeast Ohio Apartment Association as well as a member of the Greater Akron Chamber Board, making him an expert on real estate in the area.
