FANTASTIC CULTURE

- Culture of collaboration; attorneys support each other and are rewarded for collaboration.
- Your opinion matters. We seek your feedback and act on it.
- No one person controls the Firm. All shareholders have an equal vote. We listen to everyone!
- Our attorneys excel across strong practice areas, allowing us to remain competitive with much larger firms while providing the client focus and accessibility of a mid-size firm. We punch above our weight class.
- Although not required to come to the office, attorneys WANT to come in to promote their development and participate in our great culture.
- Attorneys have control over:
 - Clients
 - Rates
- Our Firm Culture Committee works to foster a positive, supportive, and inclusive environment by organizing initiatives that strengthen connections, promote well-being, and uphold our firm's values.
- Constantly finding ways to celebrate one another.
- In any one of our offices, you will find creature comforts such as Starbucks coffee and snacks.
