AREAS OF PRACTICE  
Litigation  
Business

I am a trial attorney with a focus on representing businesses and individuals in cases involving business disputes, shareholder derivative claims, contract disputes and litigation regarding wills and trusts.

I am devoted to my clients and will obtain results for you both in and out of the courtroom. I properly advise clients before an issue reaches a dispute, saving you the time, money and distress of a lawsuit. If litigation does ensue, I will work to obtain a speedy resolution for you without sacrificing the diligence you deserve.

I know the value of communication and make myself available to my clients during business and non-business hours. At the end of the day, I want you to be proud to have chosen me as your counsel.
