AREAS OF PRACTICE
Litigation
Creditors' Rights & Bankruptcy
Public Law

I am a business litigation attorney with over 35 years of experience practicing law. I represent business owners with complex commercial and product liability issues.

Clients often turn to me for advice before a matter requires litigation. However, when an issue is heading to, and must be settled in the courthouse, I am my clients' first phone call. They trust that I have the knowledge and experience to loyally defend their matters in an effective and professional manner.

I view my job as providing a first-rate service to my clients, while implementing a practical and efficient approach to problem-solving. I will offer that same level of service and dedication to your own unique legal needs.
