AREAS OF PRACTICE
Trusts & Estates
Nonprofit & Foundation

I am a trusts and estates attorney with a focus on estate planning, probate, and elder law. I assist my clients with the efficient transfer of wealth from generation to generation, business succession plans, and probate and trust litigation matters.

I listen closely to individuals' and families' needs and desires so I can protect the assets they have worked hard to accumulate. I vigorously defend my clients against the Internal Revenue Service and minimize their income, estate or gift tax liabilities. For aging clients, I work to ensure your assets are not ravaged by long-term care costs. For parents of children with dependencies, disabilities, or financial issues, my goal is to ensure that your children have a secure financial future. For business owners, I assist you in selling your business or transferring it to subsequent generations.

I design and implement estate plans based upon what is of importance to you. Simply put, I am here to protect your wealth, your business and your family.
