I am a commercial finance attorney with over 30 years of experience representing borrowers, banks, underwriters and bond purchasers as they navigate their financial and transactional circumstances.

I guide my clients through various financing and transactional matters in addition to structuring numerous loans, leases and tax-exempt bonds. I draft and negotiate a wide range of commercial transactions for my clients including general commercial contracts, supply agreements, purchase and sale warranties and disclaimers, and letters of credit.

Because of my experience handling sophisticated matters, I am able to properly advise my clients on whatever corporate finance issues or transactions they face. My goal is to make the process as easy for my clients as possible, which means I stay on top of their cases, I keep them informed every step of the way, and I show my clients the respect and dedication they deserve from an attorney.
